erddig

The Friends of Erddig group has been set up to give local people the opportunity to get involved with the maintenance and up keep of the estate. As well as organised litter picks and conservation activities, there are opportunities to get involved even when you are walking your dog or enjoying an evening stroll. If you spot a problem let us know and you could reduce the amount of damage done to this special landscape by contacting us early.

There is no subscription or joining fee. Everyone is welcome! For more information or for a membership form contact Laurel Chalk and join the team soon!
